

Lifeboat Activity

You are the captain of a sinking ship. There are 10 passengers and only one lifeboat, which holds only six people. You must decide which five of the following passengers get a seat on the lifeboat with you. Circle the five passengers you would choose.

HEATHER SMITH single, 22-year-old pregnant woman

FATHER JONES 59-year-old priest who sits on numerous international councils

ELAINE STEWART woman in her mid-40s who discovered a cure for cancer and won a Nobel Prize

JAMIE STEWART 2-year-old daughter of Elaine Stewart

ROGER DYERS quarterback for a professional football team, worth millions of dollars

HARRIET LARSEN 53 years old, one of the wealthiest women in the world, dedicated to saving children from abuse and neglect

JACK WENDALL the president of the United States

GIGI NEISEN famous movie star who has diabetes

KIRK JACKSON 70-year-old retired naval officer with a severe heart condition

Kevin Peters 36-year-old carpenter who has a wife and six children not on board the ship
