Hello, hello, good morning to you
 And I've come to a new conclusion
 That the sound of silence
 Is like the sound of silence
 Hello, hello, good morning to you
 And I've come to a new conclusion
 That the sound of silence
 Is like the sound of silence

Verse 2:
 Troubled times; caught between confusion and pain.
 Distant eyes; promises we made were in vain.
 If you must go, I wish you love. You'll never walk alone.
 Take care my love; miss you love. *(To Chorus:)*
