

Question 1. Do you know if we'll be using the Lockdown Browser for all of our APs, or just Comp Sci?

Answer. I'm not sure if you need the Lockdown Browser for Computer Science, though you might. It could be only for mathematics. □

Question 2. How do you think we should time ourselves when we are doing the FRQs?

Answer. For now that isn't necessary, but perhaps you should start doing that in the future.

College Board says:

Students will have 25 minutes to read and respond to Question 1, and then 5 minutes to upload their response. After uploading the response to Question 1, students will have 15 minutes to respond to Question 2, with 5 additional minutes to upload their response to Question 2. Once their response to Question 1 has been submitted, they cannot go back to it.

Question 1 is 65 % on arrays or ArrayLists, question 2 is 40 % on "Methods and Control Structures". □
