

AP COMPUTER SCIENCE
DR. PAUL L. BAILEY

Lesson 0409
Thursday, April 9, 2020

Let's take a break from AP Classroom for today. Solutions to the last two days programming problems are in `RCSaix0408.pdf`.

Please find homework assignment `HCSaix0408.pdf`. Write and test the code. Upload the `HorseBarn.java` in Microsoft Teams assignment 0408. Please upload just the .java, it will be easier to review your code.

After you have completed this, fill out the Daily Checkin:

0408 AP Computer Science Checkin

Please feel free to send me a message any time on Microsoft Teams.
